[illegible] of the work which is indeed just thought I cannot help [illegible] Mr. Vedder. I am sorry [illegible] as I did about [illegible].

By the way what became of Vanyi No. 301 in your review of Bjelowitz? You once said "call it Lysiosyris or Solidago Vanyi."

Excuse the length of this & believe me

Very sincerely

My Dear Dr. Jones

I was [illegible] disappointed to get your card announcing an inability [illegible] [illegible]. Besides the pleasure of having you with I had quite a number of things I wished to speak of. You will very readily admit that you communication was a paramount consideration but hope to [illegible] stop next mail [illegible].

To make this [illegible] I enclose Mr. Richards interesting and important [illegible] which [illegible] from a Connecticut [illegible]
